

Pull-Type Snowblowers

Our Pull-Type Snowblowers are great for mid-size tractors. They come standard with a flat bar cutting edge on the bottom to help cut through the tire marks. The wear shoes on the back, keep you out of the gravel when the ground is soft. These two stage snowblowers are easy on horse power and very easy to operate, and no more backing up to blow snow!

Options:

- Orbital Motor Hood Turner (standard on 84", 96" & 102")
- Flex Hood (shown)
- 12 Volt Motor Hood Turner
- Bolt On Cutting Edge
- Adjustable Skid Shoes
- Manual & Hydraulic Back Drag (shown)
- 5 Blade Fan
- Stainless Steel Fan Housing Liner
- Wing Edges

Cutting Width	Auger	Fan
54", 60", 66", 72" & 78"	16"	8" x 24"
84", 90", 96"	20"	10" x 30"
102"	20"	12" x 30"
